

A GLOBAL DANCE CELEBRATION
Peace and Harmony among Nations and Traditions

On June 24th 1968, the first Dance of Universal Peace (DUP) was introduced by Murshid SAM. Since then, our beloved Dances and Walks have grown a global family and have filled our lives with Love, Harmony and Beauty. We have a lot to be grateful for and a lot to celebrate! Let's do it together as a global family.

On Sunday, June 24th 2018, marking 50 years of the DUP, let's all dance in a Global Dance Celebration. Thousands of dancers, dozens of countries, all our circles synchronized in the same intention, song and movement.

The program will include some of SAM's Dances and will include various traditions to honor the universality of our practice and prayers for Peace and Harmony among Nations and Traditions. A video of this global celebration will be edited together with footage of circles and dancers all around the world!
