

TAIKO (Japanese Drum) WORKSHOP

This workshop will be held by Ken Koshio, focusing on the basic of playing Taiko. If you have taken workshops before, you will build on that with these workshops

Learning about the principle ideas on taiko, explore your sound and listen to your heartbeats.

Please come share the joy of playing Taiko at Sedona Hub.

A brief history of taiko is presented, and participants learn a song based on fundamental stance, rhythms, and technique. **No taiko experience is necessary.**

Since ancient times, Taiko rhythms set the heartbeat in motion, expressing the melodies and pulse of mother earth.
